For the
WYOMING RANGE

We worked together to pass the *Wyoming Range Legacy Act*.

We worked together to protect the Hoback.

Now we need to work together to finish the job.

The fate of long-contested oil and gas leases in Horse Creek, Cottonwood Creeks and South Piney Creek will soon be decided.

The Forest Service is on track to make the right decision—no new oil and gas leasing in the Wyoming Range.

Support the Forest Service's "no leasing" alternative—the only decision that will

Protect Our Legacy.
